

Privacy Statement

When you visit this web site, A.G. Georghiou Ltd may collect personal data about you, either directly (where you are asked to provide the data) or indirectly. A.G. Georghiou Ltd, will, however, only use this personal data in accordance with the purpose set forth in this Privacy Statement and is committed to safeguarding the personal data collected. This Privacy Statement sets out the purposes of the processing of personal data by A.G. Georghiou Ltd in respect of this web site, the use of cookies and how to effect your rights in respect of your personal data.

Purpose of processing

A.G. Georghiou Ltd collects and processes information about prospect clients, clients and visitors to its web site to conduct its business, to inform and make available services that may be of interest to you and for the development of web statistics. The information you provide will be used to contact you when necessary, e.g. to notify you about functionality changes to the web site and to offer services that you may find helpful (provided you have not opted out of the receipt of such services).

When collecting and using personal data, through this web site and otherwise, A.G. Georghiou Ltd will apply with local data protection laws and the binding corporate rules of A.G. Georghiou Ltd on international data transfer, as amended from time to time.

Important Information about Phishing

Phishing is a process used by fraudsters in an attempt to acquire your confidential information by sending out emails advertising fake job vacancies or other kinds of messages that direct you to bogus websites or phone lines. These emails or messages claim to be from a particular company, so they often look legitimate. But these messages are actually sent by fraudsters, often at random. Any information you disclose on these bogus websites or phone lines is captured by the fraudsters.

Sensitive data

A.G. Georghiou Ltd does not seek to collect sensitive personal data (such as data revealing political opinions, religious beliefs, health or other matters) through this web site. Please note that, by providing A.G. Georghiou Ltd with unsolicited sensitive personal data you (explicitly) consent to our use of said data as described above.

Cookies

A.G. Georghiou Ltd may collect and analyze data in connection with the use of its web site, such as domain name, the number of hits, the pages visited, previous/subsequent sites visited and length of user session. This data, which has been collected via cookies, is used, amongst other things, to optimize our website and to enable us to provide you with relevant information. A cookie is a small text file that is automatically presented to your browser by a web site.
